### Our Belize Trip April 23 - May 1, 2016

Come Paddling/Snorkeling/Kayak-Sailing/Hiking in Belize with us this spring!

#### We are happy to announce we are going back to Belize again.

We have put together a custom trip for intermediate paddlers that explores primarily the tropical marine environment. This trip also includes 2 person rafting down a rainforest river in a jaguar reserve. We will be exploring mangrove cayes, soft coral reefs as well as experience the Garifuna culture. Accommodations for this trip will be a combination of lodges, hotels, eco-retreats and glamping.

What a great Christmas gift to give to yourself...you deserve it. Lien and Erik will revive the adventure in you! Space is limited with registrations already coming in so send in your registration and deposit soon. [Click Here](#) for our itinerary and registration form.

### Paddle Camp 2016: May 20-23 Long Wknd

Beautiful Snug Haven Resort & Lodge on Georgian Bay

We are happy to announce our fourth annual spring training camp for sea kayakers will be held at Snug Haven Resort again on Georgian Bay. For those who are unfamiliar with Paddle Camp, it is meant to bring sea kayakers together to improve their base skills as well as get everyone into mid-season form so we can all have a nice long sea kayaking season. The event is also a great way to interact with fellow kayakers and instructors in a wonderfully relaxing setting. [Click here](#) for details.

Paddle Camp Accommodations are cabins with individual private bedrooms.

##### [Our New Waterfront Without Jets](#)

We are excited that all the construction is done on the newly designed Queens Quay Roadway/Bike Path. The new streetcars are larger and more quiet, and the Island Airport won't be expanded for jets. Thanks to Ed Hore and all of you who pitched in on protest paddles and meetings to keep us paddlers happy. [Click here](#)
