

ISLAND BEACH BOAT STORAGE INFORMATION

Have you ever thought how nice it would be to avoid crossing a sometimes choppy, windy, and congested harbour? Then consider storing your personal boat at our Toronto Island Beach Racks.

We now have storage rack space about 30 feet in from beautiful **Russian Beach at the Toronto Island Marina**. This is the sand beach we have used for years for bad weather pick-ups and drop-offs on the Island. This location offers a passcode-secured washroom with showers, an amazing view of the city skyline from the little sand beach, and a fully licensed restaurant at the Marina Tender dock. In addition, we have installed Storage Lockers for gear/paddles.

As an added incentive, we'll throw in **Marina Tender Tickets** (Water Taxi) with your renewal each year.

(Note: Tender Tickets are per registration form, not for each boat being stored):

Pay the **full fees** for Canoe/Kayak Registration - Receive **24 one-way** Marina Tender Tickets

Pay the **full fees** for Paddleboard Registration - Receive **12 one-way** Marina Tender Tickets

Additional one-way Tender Tickets are available to purchase at the Marina for \$3.00 each, or you can return to the city for free using an Island Ferry.

The Marina Tender departs every half hour and is located just south of the Second Cup on the east side of Queens Quay Terminal Building, about a 5-10 minute walk from our office. Departures are Monday-Friday 7:30am-11:00pm and Saturday to Sunday 8:00am-11:00pm. Click here for the Schedule:

<http://www.torontoislandmarina.com/tender-schedule/>

Once on the Island, it's a short 5-minute walk from where the Tender docks at the Marina Restaurant to the new beach racks and only a 10-minute walk from the racks to the Centre Island Ferry. Here's a link to a map showing the locations you can zoom in and move around on:

Russian Beach View

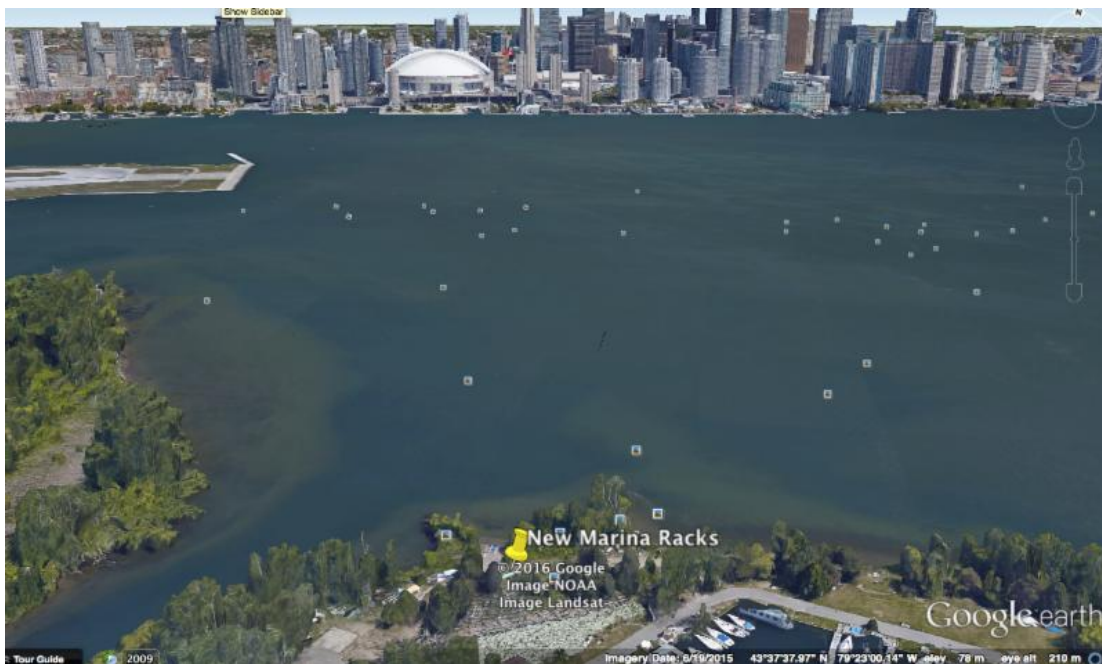

As usual you will be responsible for locking your boat to the racks and ensure your home insurance covers your boat/paddleboard for theft or damages. The racks look similar to the ones located at the south end of our lawn at our office, only 3 levels high with the highest being shoulder height. We anticipate having a long relationship with the Marina in offering this storage location as the Marina will be compensated for every boat stored there.

We truly believe this can be a wonderful option to storing at our mainland office location, and you won't need to worry about windy-weather and busy days on the harbour. Also there's a relaxing Island feeling you get on this beach, with a leisurely sense of starting and ending your paddle in the calm island waters. **Also keep in mind, that Dave paddles right past Russian Beach on his Thursday and Friday Evening Kayak Social Paddles, which are free to you if you have your own boat!**

To secure a storage spot on the Island, please email clare@paddletoronto.com to request a Storage Registration showing current seasonal fees. Once your registration and payment is processed, you will receive a confirmation with your assigned Berth #, along with details on how to drop off your canoe, kayak, or paddleboard.

Thanks so much for your interest in storing with us.
